

BRIDGE-TO-CELLULAR SERVICE REQUEST

(Also called: "EC500" or "Xmobile" service)

Network and Telecommunications Services

1-541-346-6387 (x6-NETS) - <https://service.uoregon.edu> ("Request Help...", then "Telephones...")

Department:

Order Date:

Coordinator:

Coordinator Extension:

Index for Setup Fee:

Index for Monthly Charges:

Customer's Name:

Office Extension:

(to be bridged from)

Cell Phone Number:

(to be bridged to. Include area code)

The bridge-to-cellular service is much easier to use when the UO desk telephone being bridged has programmed buttons for turning the service on and off.

Line Appearance Handling:

Bridge All Calls (default)

Do Not Bridge Line Appearances

Check here if this order assists in making NTS services accessible to individuals with disabilities.

Please note that cell phone minutes apply when calls are bridged; cell phone plan may require changes to reflect increased usage.

Comments/Notes: Setup Fee is \$15. The Ongoing Service Fee is \$4/mo. (as of 2/2012).

Telecommunications use only
